For Bob Moreno, it was a passion that started at age 8, when his grandfather introduced him to stamp collecting. He was soon drawn to coins, collecting them with an appreciation and fervor which continues to this day.

Though he collects a number of coin sets, Bob takes particular pride in his award-winning Walking Liberty Halves and his Peace Dollar Proofs, 4 out of 5 of which are finest known specimens. Rare in any condition, these breathtaking coins were acquired with the assistance of Bob's professional numismatist, Barry Stuppler.
